Comments:

Facility Inspection completed this date. Discussed sanitizing and cleaning of facility due to the COVID, gave information email was sent with this information from the health department. There is an infant bouncer seat on the playground that is tearing and stuffing is coming out - this needs to be thrown away. There is also some trash that needs picked up and thrown away. Carmen will clean this up after the inspection. Received staff record summary, application for recertification for renewal. Received change request for Justin to become director. Will send director checklist for Justin, need TB assessment, physician's statement, central registry, DCI/FBI, CPR/FA, sex offender registry for him to be changed to director.

STATE OF WYOMING Department of Family Services

CCL-301

STATEMENT OF CHILDCARE ALLEGATIONS

Notice To: Justin Wisser CPL-45874

Facility Name: Busy Bumblebees Site Address: 4925 Natrona Ave. City/State/Zip: Mills, WY 82644

The Department of Family Services has received a complaint alleging violations of the Wyoming Child Care Rules or Certification Law. The Department is legally mandated to investigate all child care complaints. This complaint was received on: 08/07/2020.

The Department requests your cooperation. In the absence of such cooperation, the Department may take whatever steps necessary to assure the safety of the children.

The Department's information may be shared with authorized individuals or agencies which include, but are not limited to, the Attorney General, County Attorney, and law enforcement.

The Department is not permitted to reveal the name of the person who made the original complaint(s).

Information is listed below for each individual alleged violation of the Wyoming Child Care Licensing Rules:

Reported Allegation:

- 1. Regulation: Chapter 4. General Requirements
 - Section 3. Provider, Director, and Staff Requirement
 - (a) Before the provider, director, their staff, household member, substitute or volunteer assume responsibility for the direct care of children, work in the facility or move into the Family Child Care Home or Family Child Care Center, the following shall be on file:
 - (iii) A child abuse/neglect Central Registry check which does not reveal any disqualifying information.

Explanation: During the 08/07/2020 Central Registry screens expired in 5/2020 for Justin, Carmen, and Alyssa.

2. Regulation: Chapter 10. Fire Standards for Child Care Centers and Family Child Care Centers - Education Classification (Group E)

Section 8. Exits

(a) The building or fire official in accordance with the International Building and Fire Codes shall determine number of exits, placement and adequacy. General requirements are:

(v) Egress doors shall be readily openable from the inside without the use of a key or any special knowledge or effort, the door knob system shall be an "emergency exit feature type, no unlocking required". Use of dead bolts, chains, night latches, manually operated flush bolts or surface bolts are not permitted during child care hours;

Explanation: North exit door leading to play area was deadbolted shut and had to be unlocked in order to exit from building.
